

### **WHAT IS PRAY & GO?**

Pray & Go is a ministry in which Westside Church prays for its neighbors with the ultimate goal to make Christ the hub of every home in our community. God placed our church at 15050 W Dodge Road, so we will start with the neighborhoods surrounding Westside Church and see how far we can reach with the power of prayer.

### **HOW DOES IT WORK?**

Those who join the Pray & Go ministry will gather and go into the neighborhood, in teams of 2 or 3 people, praying as they walk by the houses on their assigned street. A door hanger is left at each house to let the occupants know we prayed for them and to invite them to contact Westside Church with any specific needs or prayer requests. No door knocking or conversations required!

### **HOW MUCH TIME IS REQUIRED?**

Just 45 minutes a month is all it takes! You'll "Pray & Go" into the neighborhood just once a month. You can even commit to praying every other month if a monthly commitment is not possible. Currently, we gather Sunday afternoons to pray, but other days are an option.

### **MAY I PRAY FOR MY NEIGHBORS AND LEAVE DOOR HANGERS?**

Yes, please pray for your neighbors, but please leave the door hangers for Westside Church's neighbors. God placed you in that house/apartment, in that specific neighborhood. One day Pray & Go may reach your neighborhood, but for now we are focusing on the neighborhoods closest to our church building.
